PUBBLICATION OF THE PAPERS OF THE CONGRESS OF ROME (1980)

In June I received the papers from Prof. Frederik Wisse. Here is the list of the authors: Grossmann, Frickel, Kasser, Quecke, Painchaud, Janssens, Ménard, Partyka, MacCoull, Baumeister, Kühner, Rassart, Orlandi, Müller, Krause, Papini, Du Bourguet, Rutschowscaya, Hismet Messiha, Pfister, Del Francia.

The texts will be prepared (typed) for photo-composition starting from Sept 1. This means that the authors will soon receive preliminary proofs of their texts, as memorized in computer.

In the meantime, applications for financement will be presented, and publishers will be contacted.

The other participants, who have pubblished their communications elsewhere, are requested to notify that to me.

Tito Orlandi
