CHANGES PROPOSED IN THE STATUTES

From Mr. Stephen Emmel (April 25, 1988):

"In accordance with the decisions taken by the IACS Board at its meeting in August 1977 (Newsletter 2, p. 2), I respectfully submit the following proposals for changes in our Statutes.

I. Paragraph 3 "Membership": In the sentence, "Subsequent members will be elected by a poll of the Board" etc., replace "Congress Secretary" with "Editor of the Newsletter". This change will bring the States into accord with the actual procedure which has developed in practice.

II. Paragraph 4.b "Executive Officers": In the sentence, "The terms of office of the executive officers" etc., delete "three or". See next item.

III. Paragraph 6 "Congresses": In the first sentence, delete "three or". This change will bring the States into accord with the decision taken by the Board at its meeting in June 1986 (Newsletter 19, p. 2) to hold our Congresses at invariable intervals of four years.

After the sentence, "A Business Meeting of the Association will be held at each regular Congress", insert following: "A provisional agenda for the Business Meeting will be published in the Newsletter. Items for the agenda should be submitted in writing to the President at least one month before the next Congress. The final agenda will be

determined by the Board at its meeting just before the Congress." this change is meant to accord with the Board's decision of August 1977 (Newsletter 2, pp. 2-3).

IV. Paragraph 9: Add to this paragraph the following: "Proposals for changes in the Statutes must be submitted in writing to the Editor of the Newsletter, who will published them in the Newsletter before the Business Meeting at which they are to be considered." This change is meant to accord with the Board's decision of August 1977 (Newsletter 2, p. 2).

The Coptic Society Saint Shenouda the Archimandrite: ADDRESS UNKNOWN (mail returned!)

====

From Prof. Marvin Meyer:

I am pleased to announce that a research team of Coptic scholars is being assembled, under the auspices of the Institute for Antiquity and Christianity of Claremont Graduate School, to study the Coptic magical papyri.

Coptic magical texts have received comparatively little scholarly attention, but they are of great significance for Coptic studies and for the evaluation of the history of religions during late antiquity.

The goal of this research team is to collect, edit, translate, and publish magical texts in Coptic. Eventually we hope to produce a critical edition of the Coptic magical papyri, with English translations and notes. In order to accomplish this ambitious undertaking, we are proceeding in several stages, and the first is the identification of a corpus of Coptic magical texts. Not only are we collecting materials already in print (e.g., texts in A. Kropp, V. Stegemann, as well as isolated texts published elsewhere); we also are attempting to locate unpublished Coptic magical

texts that reside in libraries, museums, and private collections around the world."

(Sorry for the delay in publishing this - the Editor).

NEWS ON PUBLICATIONS FORTHCOMING OR IN PREPARATION

Each of the items, once listed, will keep appearing until it is published. When its publication is announced (under the corresponding title) it will be cancelled.

The reader is reminded that this is not meant to be a bibliography, but an opportunity for the Members to announce their works in progress and to know their colleagues' ones. This is especially useful for those who work on unpublished material. (A special thank to S. Emmel for his help).

Members are requested to keep sending their announcements.
